These instructions detail the safe use, assembly and maintenance of your product. Please read these instructions carefully and ensure that they are followed at all times.

FOR SAFE USE:

- Failure to follow these warnings and instructions could result in serious injury or death.
- Do not use the toddler bed near naked heat sources, bar heaters, open fires, or exposed flames.
- Do not place more than one child in the toddler bed at the same time.
- Do not try and move the toddler bed while a child is in it.
- This product is not intended for commercial use.
- Ensure that the toddler bed is completely assembled and check that all parts are securely tightened before placing a child in the bed.
- To avoid danger of suffocation, keep any plastic bags away from babies and children. Plastic bags can block nose and mouth and prevent breathing. Bags are not toys. Please dispose of waste packaging thoughtfully.

assembly

step 1: attaching bookshelf ends

- Take the left side rail (L), and identify the head and foot ends, as per Figure 1a.
- Insert camlock (P) into the left bookend piece (F), and screw camlock bolt (S) into the side rail.
- Using a Phillips head screwdriver (not included), turn the camlock (P) clockwise, securing it to the camlock bolt (S).
- Screw camlock bolts (S) into both the side rail and bookend piece (Figure 1c).
- Repeat steps with right side rail (M) and right bookend (G), and place this assembly aside until Step 4.

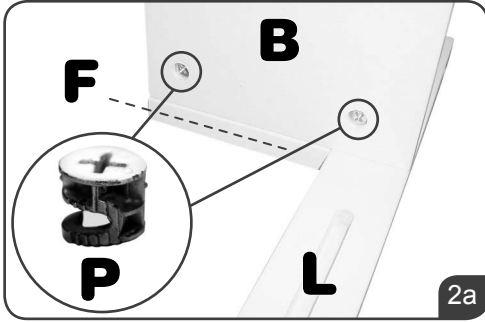

mother's choice tip...

If the camlock bolt does not immediately connect with the camlock, try turning the camlock counter-clockwise to 'loosen' first, before tightening. This will force the camlock bolt to catch.

step 3: attach base slats

- Insert a barrel nut (Q) into the centre base slat (J), with the screw-end facing downwards (Figure 3a).

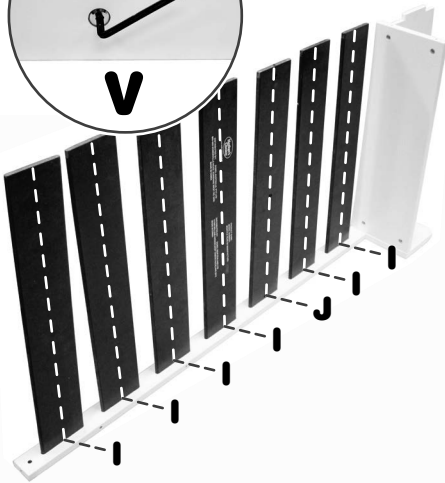

mother's choice tip...

Ensure the centre base slat is positioned with the recessed hole (pictured) facing upwards.

- Insert the centre base slat into the side rail's centre slot, fixing with one 50mm bolt (T) (Figure 3b).

- Use Allen key (V) to secure the bolt.

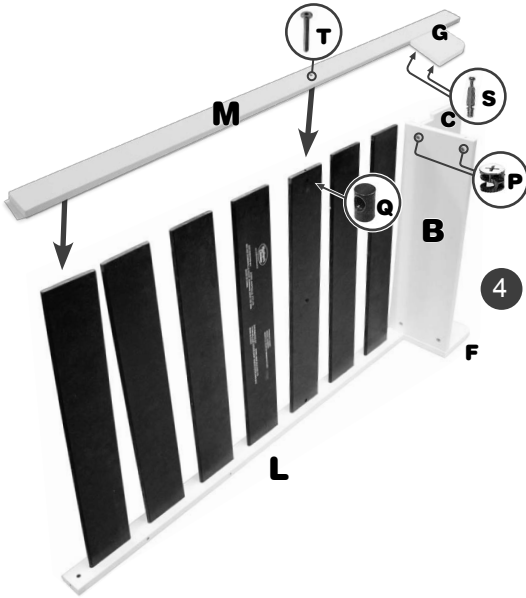

- Insert the remaining base slats (I).

assembly

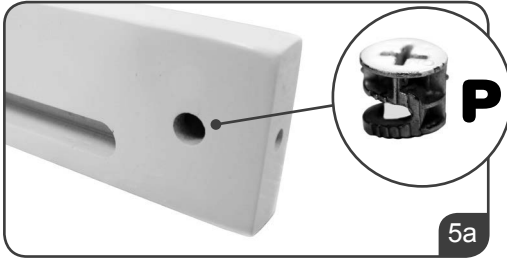

step 4: attach right side rail

- Take the right side rail assembly (Step 1, consisting of pieces G & M), and align it over the slats of the bed assembly.
- Insert the slats into the side rail's corresponding slots, the end slot fitting with the bookshelf slat (C).
- As with Step 2 (pg 7), insert camlocks (P) into footboard (B) and fit the side rail with a Phillips head screwdriver (not included).
- As with Step 3 (pg 8), insert a barrell nut the centre base slat into the side rail's centre slot, fixing with one 50mm bolt (T), and securing with Allen key (V).
