SAFETY

THANK YOU FOR CHOOSING OUR PRODUCT. PLEASE TAKE TIME TO READ THE IMPORTANT SAFETY NOTES BELOW. THIS WILL ENSURE MANY YEARS OF HAPPY AND SAFE USE. IF IN DOUBT, PLEASE SEEK ASSISTANCE FROM OUR CUSTOMER SERVICE TEAM.

INCORRECT ASSEMBLY MAY MAKE THE COT UNSAFE. DO NOT USE THIS COT IF ANY PART IS BROKEN, TORN OR MISSING.

WARNING

- **WARNING! Be aware of the risk of open fires and other sources of strong heat, such as electric bar fires, gas fires, etc., in the vicinity of the folding cot.**
- **WARNING! Do not use if any part is broken, torn or missing, and only use spare parts approved by the manufacturer**
- **WARNING! Do not leave anything in this folding cot or place this folding cot close to another product, which could provide a foothold or present a danger of suffocation or strangulation, e.g. strings, blind or curtain cords, dressers, etc.**
- Never use more than one mattress in this folding cot.
- The folding cot, including the top rails and base, should be completely locked before use. Check that all locking devices are fully engaged before using the folding cot.
- Regularly check all assembly fittings are tightened properly and retighten as necessary. DO NOT use this folding cot if any part is broken, torn or missing.
- To prevent injury from folding, use this folding cot only for a child who is unable to climb on or out of the folding cot.
- Do not leave anything in this folding cot (such as toys) that could provide a foothold.
- Do not use this folding cot near naked heat sources, bar heaters, open fires or exposed flames.
- Keep this folding cot clear of trailing cables and hanging cords.
- Keep medication, strings, elastic, small toys and other small items that a child could choke on away from this folding cot.
- The thickness of the mattress has been specified to ensure that the distance from the top of the mattress to the top of the lowest side or end will always be at least 500mm. This will reduce the risk of children falling out of the folding cot.
- Ensure the correct assembly of this folding cot before use and only use accessories recommended by the manufacturer.
- Folding cots with padded rims should not be used if the covering material has been bitten through.
- Always check that the assembly of this folding cot is correct and safe.
- Do not place more than one child in the cot at the same time.
- Do not use this cot with a child who weighs more than 15kg or is taller than 90cms.

WARNING - MATTRESS SIZE

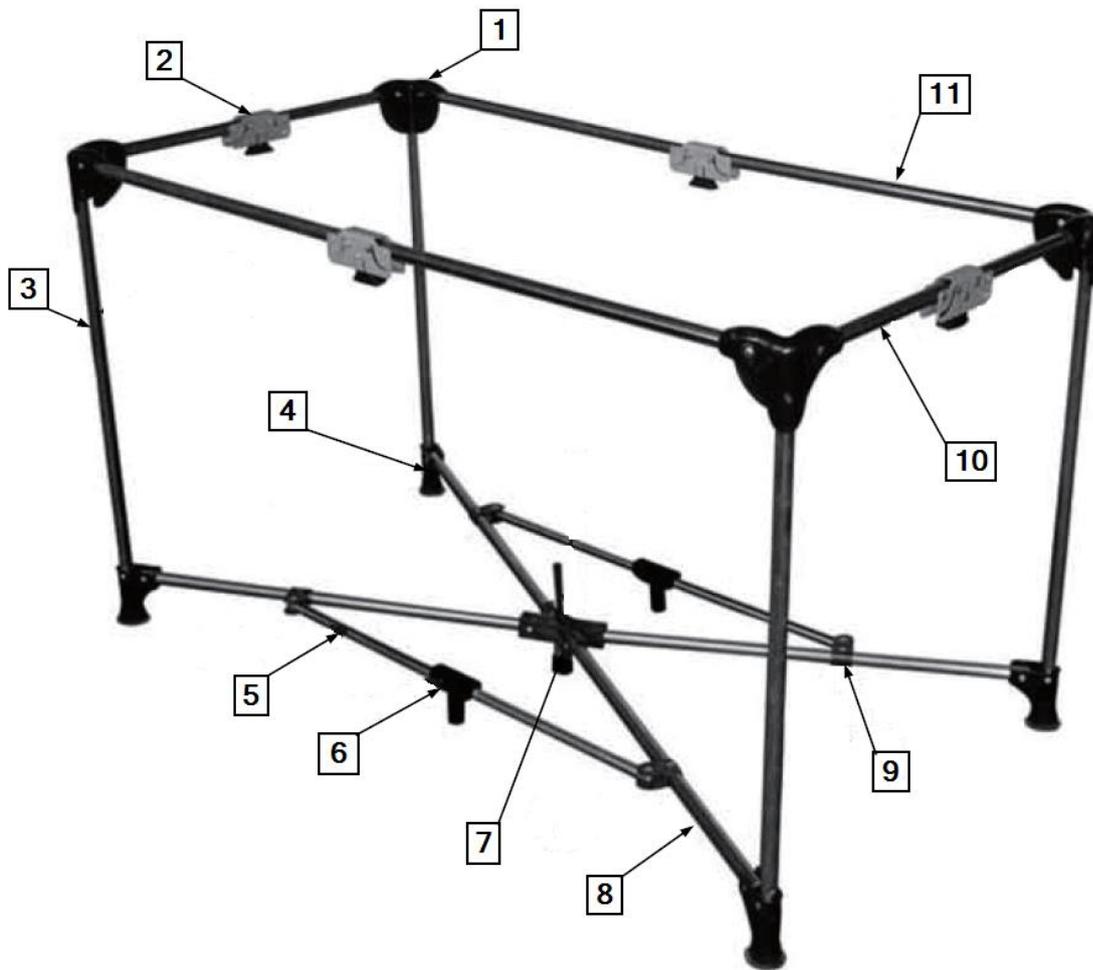

This cot is made to use a mattress which is 730mm wide, 1000mm long and no more than 25 mm thick.

Using the wrong size mattress may create hazardous gaps that could result in suffocation or could reduce the side height of the cot which may result in your child falling out from the cot.

A correct specification mattress has been supplied with this folding cot. Do not use a mattress other than the one supplied by the manufacturer. Incorrect mattress can cause death.

IMPORTANT: A mattress is included with this folding cot – it is specifically designed to suit this product.

2 - SETTING UP THE FOLDING COT

- Unzip and remove the carry bag **Fig 1**, and then remove the mattress base by unfastening the three loop/hook fastenings straps **Fig 2**, and take out the folding cot.

(fig.1)

(fig.2)

- Pull apart the tops of the 4 legs as shown in **Fig 3**.

(fig.3)

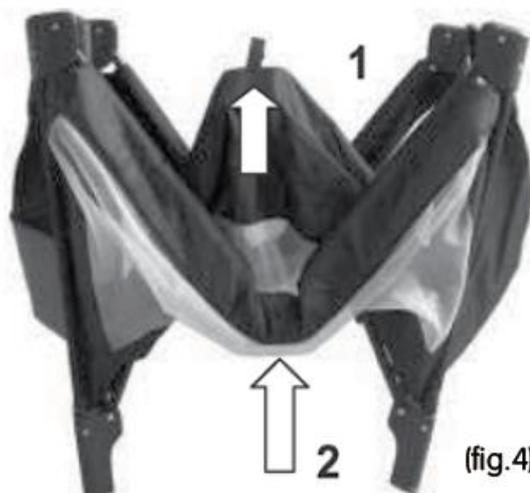

Starting with the shorter sides, pull up the Side Rails with both hands quickly to lock them in place. (Note that these rails are covered by the fabric of the cot sides.) **Fig 4**

Repeat with the two longer sides.

CAUTION: TAKE CARE, AS FINGER PINCHING CAN OCCUR WHEN LOCKING THE RAILS IN PLACE.

The centre of the cot base must be in a raised position to allow the rails to lock easily.

- Check for the secure engagement of all 4 of the Folding Connectors by pushing down on them. Ensure all 4 Connectors have clicked into place and locked properly.

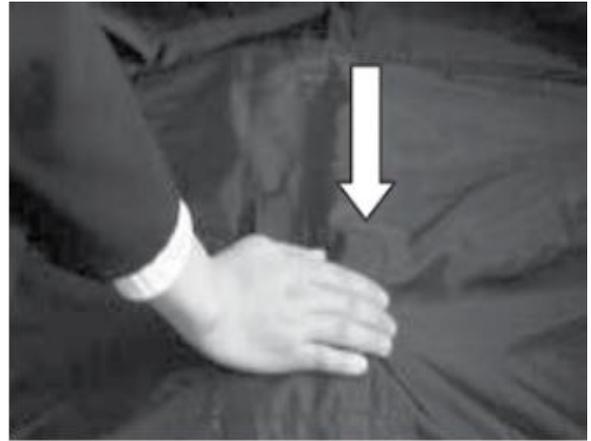

(fig.4)

Push down on the Centre Foot in the middle of the base until the base lays down flat & it clicks into place. **Fig 5**

Place the supplied Rigid Mattress Base into the folding cot and fix it in place by feeding the loop/hook fasteners through the slits in the Folding Cot base and attaching them to the underside of the base. **Fig 6**

Note – DO NOT use the Rigid Mattress Base without it being secured to the Folding Cot.

(fig.5)

(fig.6)

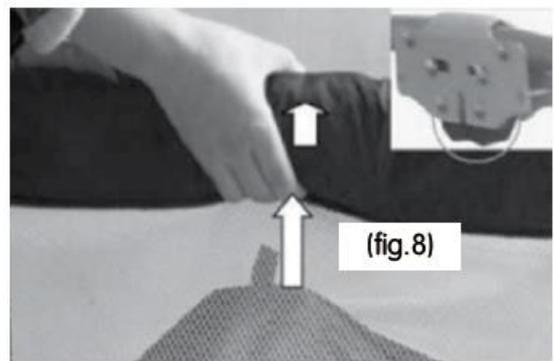

3 – FOLDING THE FOLDING COT

Release the loop/hook fastening straps that secure the mattress to the cot and remove the mattress from the Folding Cot. Pull up on the tab attached to the Centre Foot to lift it out of engagement. Pull the base up at least 2/3 of the way to the top. – **Fig 7**

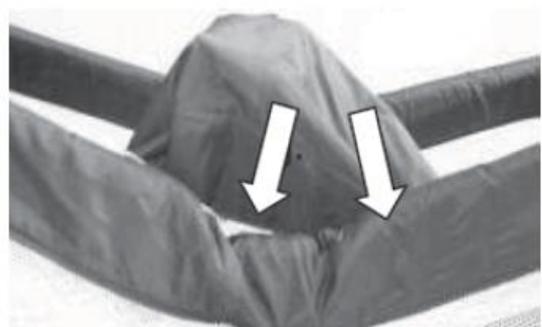

(fig.7)

Release each Top Rail by lifting the Folding Connector slightly and squeezing the locking button on the underside of the Connector, and then push down so the top rails form a “V” position. **Fig 8**

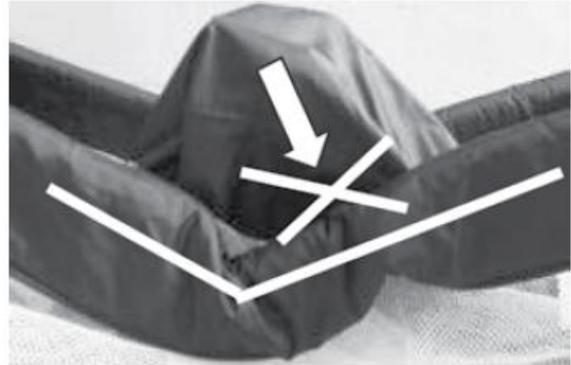

The Side Rails on all 4 sides must go downwards as shown in **Fig 9**.

(fig.9)

If the side rails do not all fold evenly, lift them up and repeat previous operations until all 4 sides are fully folded down evenly. **Fig 10**

IF THE TOP RAILS DO NOT FOLD – DO NOT FORCE THEM – LIFT UP THE CONNECTORS AND SQUEEZE THE BUTTONS AGAIN TO FULLY RELEASE THEM.

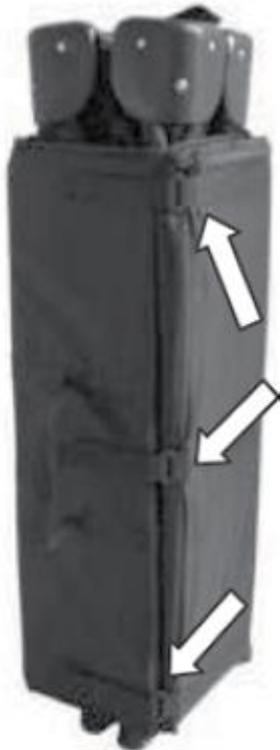

(fig.10)

Pull all 4 legs into the centre and arrange the frame and cover properly, so that the rigid base can be wrapped around it and fastened with its loop/hook fastenings.

straps – **Fig 11**. Place back into its carry bag. **Fig 12**.
