## 'Hippo + Friends' Polypropylene Infants' Bodysuits (Size 000 - 1½)

The Warehouse Ltd regrets to advise customers that the domes on a particular batch of the Hippo + Friends polypropylene infants' bodysuits may come loose. If they do come loose, this poses a potential safety hazard if swallowed, or irritation if they come into contact with skin. Customer safety is of paramount importance and therefore The Warehouse is recalling the Hippo + Friends Infants' Polypropylene Bodysuits.

If customers have purchased one of these bodysuits (marked with the brand label below) between 27 February 2012 – 23 March 2012, they should stop their infant wearing them immediately. This product should then be returned to any The Warehouse store for a full refund.

All customers will receive a full refund for their purchase. To assist with the processing of refunds, customers are requested to provide their receipt where possible.

There are four colours of affected bodysuits (pictured above). They can be recognised by the following numbers on the back of the care label (found in the rear neck of the garment) :
