

# Product Safety Recall

## Jolly KidZ/Protoys Smart Door Barrier

The Warehouse has identified a fault in the Jolly KidZ Smart Door Barriers. Affected barriers have central bolts (pictured below) that are unable to be fully tightened as they are undersized, meaning the barrier can be pulled or pushed out of position.

Jolly KidZ Smart Door Barriers are sold exclusively on behalf of Colorific Ltd through The Warehouse.

If customers purchased this child's door barrier (pictured alongside) between 21 April 2013 and 21 April 2014 they should check the central bolts can be fully tightened.

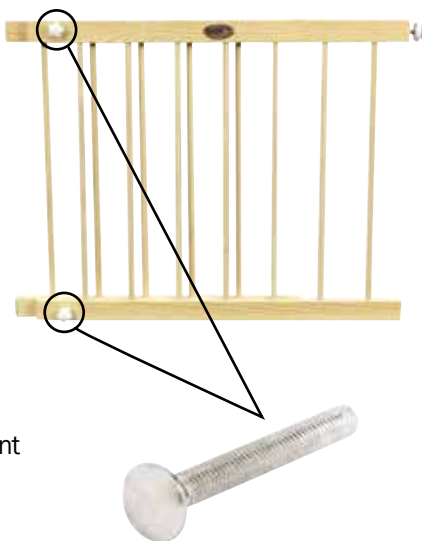

If the product cannot be fully tightened customers should stop using it immediately. Customers can call The Warehouse Customer Service Team on 0800 422 274 for a replacement central bolt kit or contact Jolly KidZ (Colorific Ltd) Customer Services at [info@colorific.com.au](mailto:info@colorific.com.au) or via their website [www.colorific.com.au](http://www.colorific.com.au)

Alternatively, customers can return the product to any The Warehouse store for a full refund with or without a receipt.

The Warehouse apologises for any inconvenience that this has caused.

No other Jolly KidZ products are affected.

For information about the recall process, phone **0800 422 274** during business hours or contact any The Warehouse Ltd store.
