25 MIN

Approximate Assembly Time

2 Persons of Assembly

FLOOR AREA
4.0M x 2.0M

Required Assembly Space

Tip before you start

1. Please check that all parts are present before you start the assembly of your furniture.
2. For ease and speed of assembly, we recommend that before you commence each step of the assembly, that you identify all the parts required for that step.
3. For larger items, please ensure that you have sufficient space and people (as indicated on page 1) to assemble your product safely.
4. We recommend that, where possible, all items are assembled near to the area in which they will be placed in use, to avoid moving the product unnecessarily once assembled.
5. For the protection of your furniture, we recommend that the product is placed on a protected surface during assembly to prevent any damage.
6. During assembly please take care not to over-tighten any fittings, as this may damage the product. Do not use power tools.
7. Always place the product on a flat, steady and stable surface.
8. Do not stand on the product. Do not use the product as a stepladder.
9. This product is intended household use only as it is a non-industrial product.
10. Please use caution and care when lifting the product to avoid personal injury and/or product damage.

Care and maintenance

CARE INSTRUCTIONS

- This cantilever umbrella comes With above the ground cross-frame, onto Which four 15kg pavers or equivalent umbrella base must be added to make umbrella stable (not included)
- Before opening umbrella, check for any potential costacles
- Gently pull ribs away from centre pole to ease opening of the umbrella
- Do not leave umbrella unattended while open
- When not in use, ensure umbrella is closed and stored securely
- Umbrella is intended for sunshade and not for protection in rain or Wind Do not use in these conditions
- We recommend using an umbrella cover to protect fabric from fading When not in use. (not included)
- Not designed to be a permanent structure

ALUMINIUM CARE INSTRUCTIONS

- When left exposed to the elements for a period of time aluminium may oxidize. To prolong the life of your furniture, clean and dry frame regularly. Use car polish or similar for extra protection of metal components. Use spray lubricant or similar on nuts and bolts.

We recommend storing furniture under cover, out of direct sunlight and using furniture covers when not in use and for protection during the winter months.
