Tips before you start

1. Please check that all parts are present before you start the assembly of your gazebo.
2. For ease and speed of assembly, we recommend that before you commence each step of the assembly, that you identify all the parts required for that step.
3. For larger items, please ensure that you have sufficient space and people (as indicated on page 1) to assemble your product safely.
4. We recommend that, where possible, all items are assembled near to the area in which they will be placed in use, to avoid moving the product unnecessarily once assembled.
5. During assembly please take care not to over-tighten any fittings, as this may damage the product. Do not use power tools.
6. Always place the product on a flat, steady and stable surface.
7. Please use caution and care when lifting the product to avoid personal injury and/or product damage.

Care and maintenance

- When left exposed to the elements for a period of time, steel may rust and fabric may fade.
- To prolong the life of your gazebo, clean and dry regularly.
- Hand wash the canopy using only mild soap and water.
- Never use harsh detergents, abrasives and/or bleach, etc.
- Do not machine wash.
- We recommend to store the gazebo under cover, out of direct sunlight when not in use.
