IMPORTANT, RETAIN FOR FUTURE REFERENCE: READ CAREFULLY

Tips Before You Start

- 1 For the protection of your furniture, we recommend that the product is placed on a protected surface during assembly to prevent any damage.
- 2 Please check that all parts are present before you start the assembly of your furniture.
- 3 For ease and speed of assembly, we recommend that you identify all the parts required for each step before commencing assembly.
- 4 For larger items, please ensure that you have sufficient space and people (as indicated on page 1) to assemble your product safely.
- 5 We recommend that, where possible, all items are assembled near to the area in which they will be placed in use, to avoid moving the product unnecessarily.
- 6 During assembly please take care not to over-tighten hardware, as this may damage the product. Do not use power tools.
- 7 Always place the product on a steady and stable surface.
- 8 Do not stand on the product. Do not use the product as a stepladder.
- 9 This product is intended for indoor, household use only as it is a non-industrial product.
- 10 Please use caution and care when lifting the product to avoid personal injury and/or product damage.

Care and Maintenance

- 🔧 Please periodically check all things and re-tighten as necessary.
- 🧼 To clean your item, please use a damp cloth and wipe clean.
- 🚫 Never allow any kind of liquid to remain on your furniture.
- 🌿 Absorption can cause wood to warp or finishes to delaminate.
- 🔥 Please do not place hot items (e.g., hot drinks) directly onto the surface.
- 🚫 Please do not drag and pull your furniture.

Care and Maintenance

Aluminium Powder Coating:

Hand wash using a solution of warm water and sponge surfaces thoroughly, rinse clean and dry straight away with a clean, soft cloth to remove all residues.

Always clean in a shaded area or within room temperature conditions.

Do not use abrasive cleaners, scouring pads or bleaching agents.

Wipe up spills immediately using a clean dry cloth.

Protect the surface by using coasters and placemats to prevent marks, stains and scratches.

It is recommended to store your furniture in the shade, indoor storage or use furniture covers to protect your furniture from harsh weather elements or while not in use.

After rain or snow fall wipe off excess water and snow and dry thoroughly.

Thermal Transfer Printing:

Hand wash using a solution of warm water and sponge surfaces thoroughly, rinse clean and dry straight away with a clean, soft cloth to remove all residues.

Always clean in a shaded area or within room temperature conditions.

Do not use abrasive cleaners, scouring pads or bleaching agents.

Be cautious with leaving permanent objects such as vases or planter pots on the surface or objects that could have sharp pieces that could damage the surface.

Be wary of leaving any of those items on the surface which can create moisture sitting underneath.

Wipe up spills immediately using a clean dry cloth.

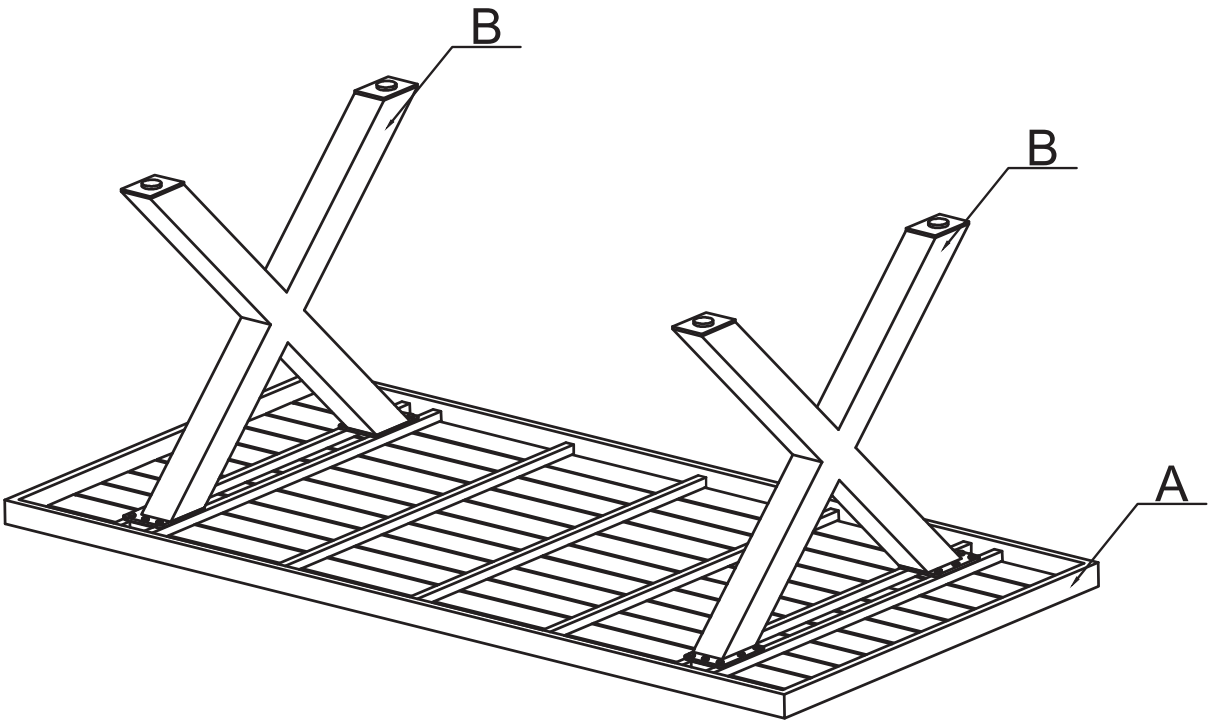

Protect the surface by using coasters and placemats to prevent marks, stains and scratches.

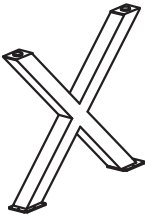

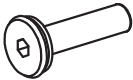

It is recommended to store your furniture in the shade, indoor storage or use furniture covers to protect your furniture from harsh weather elements or while not in use.

After rain or snow fall wipe off excess water and snow and dry thoroughly.

It is always recommended to assemble your item on a protective surface.
