Tips before you start

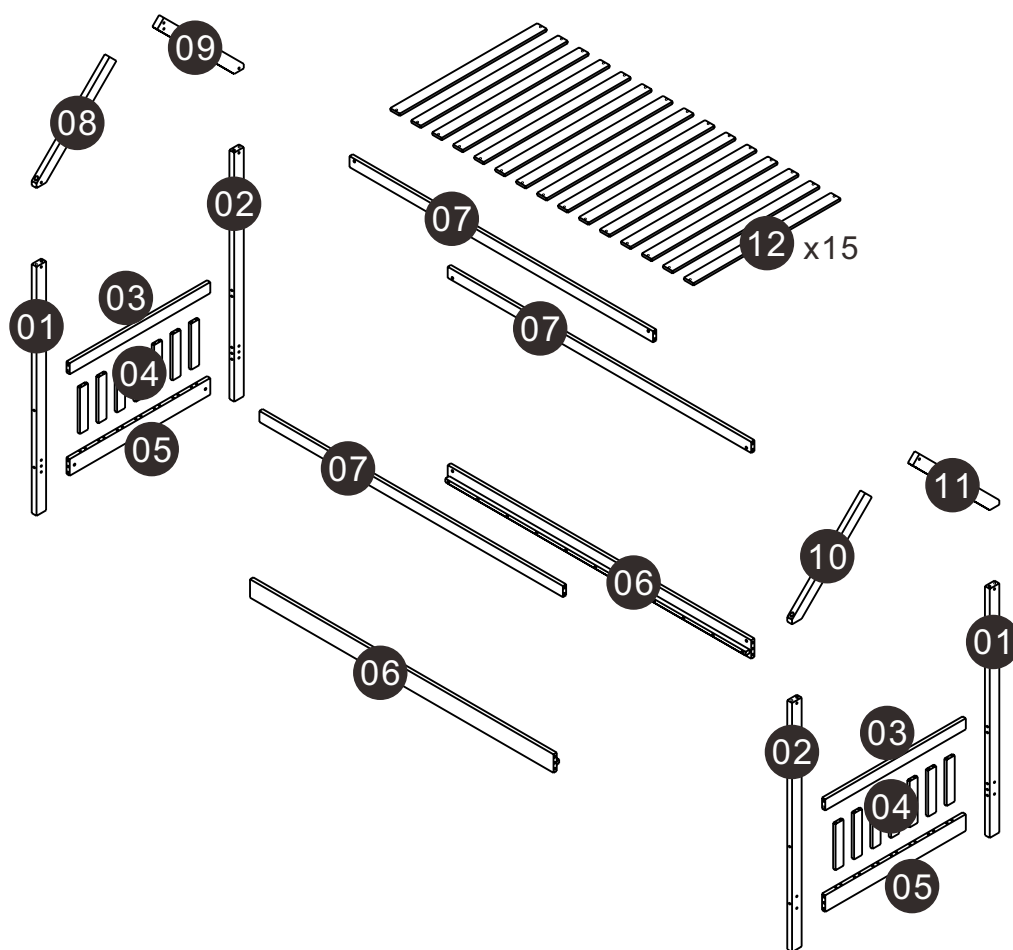

- 1 For the protection of your furniture, we recommend that the product is placed on a protected surface during assembly to prevent any damage.
- 2 Please check that all parts are present before you start the assembly of your furniture.
- 3 For ease and speed of assembly, we recommend that you identify all the parts required for each step before commencing assembly.
- 4 For larger items, please ensure that you have sufficient space and people to assemble your product safely.
- 5 We recommend that, where possible, all items are assembled near to the area in which they will be placed in use, to avoid moving the product unnecessarily.
- 6 During assembly please take care not to over-tighten hardware, as this may damage the product. Do not use power tools.
- 7 Always place the product on a steady and stable surface.
- 8 Do not stand on the product. Do not use the product as a stepladder.
- 9 This product is intended for indoor, household use only as it is a non- industrial product.
- 10 Please use caution and care when lifting the product to avoid personal injury and/or product damage.
- 11 Parents and carers should ensure that children are properly instructed in the use of this product.
- 12 Parents and carers are to check all hardware fixings are secure and ensure a full check of assembly is done before use and regular maintenance is implemented.
- 13 Please ensure to place your product in a safe position in a room and away from heat sources and other furniture children may be tempted to climb on such as windows, ceiling fans, curtains and cords.

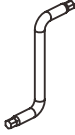

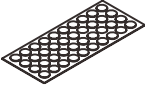

This Bed conforms to the standard BS8509

Care and maintenance

-  Please periodically check all parts and re-tighten as necessary.
-  Never allow any kind of liquid to remain on your furniture.
-  Absorption can cause wood to warp or finishes to delaminate.
-  Please do not place hot items (e.g., hot drinks) directly onto the surface.
-  Please do not drag and pull your furniture.
-  Upon completion of assembly be sure that all screws, bolts and fastening devices have been tightened securely. Frequent periodic inspection should be made of all hardware and tightened if needed. Inspect the bed to check if any parts are missing or broken.
-  The bed can be cleaned by wiping with a damp cloth and drying with a soft dry cloth.
-  Never clean with abrasive ammonia base, bleach base or spirit type cleaners.
-  If refinishing, use a non-toxic finish only for children's products.
-  Use only replacement parts supplied by manufacturer.
