The phrase '**BIBBIDI-BOBBIDI-BOO**' may sound like gibberish, but when Cinderella's **FAIRY GODMOTHER** says it and waves her wand, all kinds of incredible things start to happen. These fruit wands may just spread a little **MAGIC** too.

INGREDIENTS

2 cups grapes or berries
5 watermelon slices
1 cup rockmelon or pineapple chunks

MATERIALS

Cutting board
Small cookie cutter
Wooden skewers

PARTY TIP

You may have extra fruit left over after assembling the wands. Put the extra pieces in a bowl to make a fruit salad.

DIRECTIONS

- 1 Wash your hands and rinse the grapes or berries.
- 2 Place a watermelon slice on the cutting board. Use the cookie cutter to cut out shapes from a watermelon slice. Set this aside.
- 3 Carefully slide about five pieces of fruit onto a skewer, starting at its pointed end and pushing each piece down the stick to make room for the next piece. Leave room at the base of the skewer for holding.
- 4 Gently slide the watermelon shape onto the top of the wand.
- 5 Assemble more fruit wands to make delicious, magical treats!
