There's no mistaking Pooh's **FAVOURITE** food, but if we had to guess his favourite flying creature we'd presume it was a bee. This **EDIBLE** version is a **TRIFECTA** of peanut butter, crispy rice cereal and **CHOCOLATE**.

INGREDIENTS

½ cup creamy peanut butter

2 tablespoons honey

¼ cup butter, softened

½ cup icing sugar, sifted

1¼ cups crisp rice cereal, crushed

½ cup dark chocolate chips

Sliced almonds

HONEYBEE HOW-TO:

DIRECTIONS

1 In a large bowl, stir together the peanut butter, honey and butter. Add the sugar and cereal, and stir until evenly blended and the mixture comes together into a shaggy dough.

2 Line a baking tray with baking paper. To shape each bee, roll a heaping tablespoon-sized portion of the dough into a bee shape, as shown, and place on the prepared sheet. Repeat with the remaining dough, then place in the refrigerator to firm up.

3 Melt the chocolate according to the package directions. Place the chocolate in a piping bag fit with a small writing tip. Pipe stripes onto each bee and add a pair of almond-slice wings. Keep refrigerated until ready to serve.
