

Responsible Disposal

At the end of its working life, observe any local regulations regarding the disposal of electrical consumer goods and dispose of it appropriately for recycling. Contact your local council for advice on recycling facilities in your area. In the event it is to be disposed of, please recycle all packaging material where possible.

FRANKIE TABLE LAMP

Instruction Manual
Model : LE2500305TD

living & co.

6 Warnings

1. Always use the correct type and wattage of bulb.
2. When changing a bulb, always remove the supply plug from the wall socket and allow the bulb to cool down before handling.
3. Dispose of old bulbs carefully.
4. Do not reconnect the plug or switch on the light until the installation is complete.
5. Do not cover the lamp or bulb during use as this could be a potential safety hazard.
6. The luminaire is not intended for use by children unless suitable adult supervision is provided.
7. The luminaire is not a toy, children should be supervised to ensure they do not play with it.
8. The fitting is intended for indoor use only.
9. Only place on a level / stable support surface.
