⚠ IMPORTANT

- Read these instructions carefully and familiarise yourself with the procedure before assembling the unit.
- Ensure you have all the component parts on the list and familiarise yourself with each part before proceeding.
- To prolong the life of the rabbit hutch dry the structure in the natural sun when it becomes damp or wet.

CLEANING AND SAFETY

- To avoid risk of suffocation to animals or children dispose of the all packaging immediately.
- Clean all surfaces with a damp cloth and mild detergent, do not use bleach or abrasive products.
